TRI-VALLEY TRANSPORTATION COUNCIL

WHEREAS, AB 361, pursuant to Executive Order N-15-21, took full effect on October 1, 2021 and requires the Board to make specific findings to continue meeting under special teleconference rules;

WHEREAS, in addition to finding the Governor has declared a State of Emergency pursuant to Government Code section 8625, such findings include that state or local officials have imposed or recommended measures to promote physical distancing, or, in the alternative, that the legislative body determines that meeting in person would present imminent risks to the health and safety of attendees;

WHEREAS, Governor Newsom has declared a State of Emergency due to COVID-19, the Counties of Alameda and Contra Costa have similarly proclaimed states of emergency, state and county officials have imposed or recommend measures to promote masking and physical distancing, and TVTC has determined that meeting in person would present imminent risks to the health and safety of attendees;

WHEREAS, in response to the emergence of the highly contagious Delta and Omicron variants of COVID-19, including subvariants BA.4 and BA.5, and the ongoing risk of the emergence of new variants, State, the Alameda County and Contra Costa County Health Officers have issued orders for nearly all individuals to wear masks in certain indoor settings and strongly recommending that all individuals, regardless of vaccination status, wear masks when inside all public spaces;

WHEREAS, the Centers for Disease Control and Prevention (“CDC”) continues to recommend physical distancing of at least six feet from others outside of the household;

WHEREAS, Title 8, Section 3205, subdivision (c)(5)(D) of the California Code of Regulations, promulgated by the Division of Occupational Safety and Health of the California Department of Industrial Relations (“Cal/OSHA”), requires employers to provide instruction to employees on using a combination of “physical distancing, face coverings, increased ventilation indoors, and respiratory protection” to decrease the spread of COVID-19;

WHEREAS, “Protecting Workers: Guidance on Mitigating and Preventing the Spread of COVID-19 in the Workplace,” promulgated by the Occupational Safety and Health Administration (“OSHA”) under the United States Department of Labor, provides that “[m]aintaining physical distancing at the workplace for [unvaccinated and at-risk] workers is an important control to limit the spread of COVID-19” and recommends that employers train employees about the airborne nature of COVID-19 and importance of exercising multiple layers of safety measures, including physical distancing, and that employers implement “physical distancing in all communal work areas for unvaccinated and otherwise at-risk workers,” including physical distancing from members of the public, as a “key way to protect such workers”;

WHEREAS, due to the continued threat of COVID-19, TVTC continues to implement multiple layers of protection against COVID-19, including physical distancing, for the safety of Board members, employees and members of the public;

TRI-VALLEY TRANSPORTATION COUNCIL

WHEREAS, TVTC recognizes the recommendations by state and local officials to use physical distancing as a layer of protection against COVID-19 and desires to continue to provide a safe workplace for its Board members, employees and a safe environment for the open and public meetings of all legislative bodies of TVTC;

WHEREAS, TVTC hereby finds that the presence of COVID-19 and continued circulation of the Delta and Omicron variants, including subvariants BA.4 and BA.5, as well as the ongoing risk of the emergence of new variants, present imminent risks to the health or safety of attendees should meetings of the legislative bodies of TVTC be held in person; and

WHEREAS, TVTC shall ensure meetings of all legislative bodies comply with the special teleconference rules under the Brown Act, as amended by Assembly Bill 361.

NOW, THEREFORE, BE IT RESOLVED by the Tri-Valley Transportation Council, as follows:
