# **TRI-VALLEY TRANSPORTATION COUNCIL**

То:	Tri-Valley Transportation Council (TVTC)
From:	TVTC Finance Subcommittee (Finance Subcommittee) TVTC Technical Advisory Committee (TAC)
Date:	February 11, 2019
Subject:	Financial Report for the Period Ending June 30, 2018

## BACKGROUND

The Treasurer is required to present a financial status report to the TVTC annually. The City of San Ramon has served as the TVTC Treasurer since 2001. At the April 12, 2010 TVTC meeting, the City of San Ramon requested to relinquish the administrative Treasurer duties.

On September 22, 2010, the TVTC approved Resolution 2010-05 that a) authorized the establishment of an account with a private banking institution and to transfer the Tri-Valley Transportation Development Fee (TVTDF) fund balance from the City of San Ramon; b) authorized the TVTC to establish an account at the State of California's Local Agency Investment Fund (LAIF) to serve as a joint account; and c) approved funding to retain outside contractors for the accounting and auditing services duties. The City of San Ramon staff continues to serve as the TVTC Treasurer in name and as signature authority for TVTDF disbursements per the TVTC's Joint Exercise of Powers Agreement (JEPA).

Beginning with the quarterly period of July 1, 2011 – September 30, 2011, TVTC agencies began forwarding all quarterly remittances to the TVTC account at Mechanics Bank and the TVTC's contract accounting firm, Franklin Management Systems, Inc., in Pleasanton began managing these funds. On April 26, 2012, the TVTC transferred all remaining TVTDF funds held with the City of San Ramon to Mechanics bank. In February 2016 the TVTC began transferring TVTDF funds from Mechanics Bank into a Local Agency Investment Fund (LAIF) account.

This report is prepared to provide cumulative information on TVTD fees received and remitted by member TVTC agencies and their approved disbursements. In FY 2017/18, the TVTDF fund earned approximately \$7 million in fee remittances (approximately \$5 million less than in FY 2017/18) and disbursed approximately \$13.2 million. An annual summary report and a cumulative resources report are provided as attachments (Attachments A, B, and C).
