

A-7. I-580/FOOTHILL ROAD/SAN RAMON ROAD INTERCHANGE MODIFICATIONS

TVTC PROJECT SPONSOR

City of Pleasanton

LEAD AGENCY

Caltrans

PROJECT DESCRIPTION

Project A-7 was located at the intersection of the I-580 ramps and Foothill Road in Pleasanton. The project constructed improvements to improve intersection operations and safety. The project modified the intersection to remove the direct eastbound to southbound connection and eastbound to northbound loop connection so that it terminates into a “T” style signalized intersection at Foothill Road just south of the Foothill Road Bridge.

STATUS

This project has been completed.
